A choice of funeral plans

Our choice of plans gives you a range of options to suit your needs. Simply decide which plan is right for you and we'll take care of everything on your behalf. The costs for each of our plans are shown overleaf, together with a list of what's included in each option.

The Personal Plan

We also offer a Personal Plan which can be tailored to your specific requirements. A funeral is a very personal occasion and many people have particular wishes. We can meet you at our premises, or in the comfort of your home, to discuss your wishes, provide guidance and advice and give you a detailed quotation.

Burial option

If you would prefer a burial, we will provide you with a quotation based on your individual specification, including a list of disbursements and your chosen cemetery or churchyard. To request a quotation for our burial option, please call us on **01443 830328**.

Enhancing or altering your plan

If your requirements or circumstances change at any time in the future, you can add additional services to your plan or change the details. Please note there may be additional charges if you add extra services to your plan.

Fees payable to third parties

Third party fees may include, for example, a contribution towards crematoria costs, organist's fee, minister's fee, doctor's fee, flowers and newspaper notices. Whilst we guarantee the funeral director's services for your chosen plan, we have no control over increases in third party fees and are therefore unable to guarantee third party fees in advance. However, a contribution to these third party fees is included with each of our plans and is shown overleaf.

Money paid towards the cost of payments to third parties will rise in line with the Retail Price Index (RPI). Please refer to section 4.4 of the Terms & Conditions for full details. If the cost of these payments increase at a rate in excess of RPI, then your next of kin/executor will be required to pay any shortfall.

Management fee

All our funeral plans incur a management fee of £180.00 which covers the cost of the administration and setting up of your plan.
